

Our comfortable, smaller-than-ever styles feature the latest technology for hearing in noisy situations and connecting with the world.

Wear and enjoy, and just like that, your brighter hearing future starts.

Learn how to wear your hearing aids correctly, personalise your sound experience, and request assistance from your hearing care professional with the Interton Sound app.

We believe that life is for living to its fullest potential, which is why we focus on the true value of hearing. We have been doing so since 1962, when Interton was founded in Germany, and since 2005, when we became part of the GN Group, bringing people closer to one another and combining our expertise in hearing, audio and gaming under one roof.

Enjoy a brighter hearing future

Tune into life anywhere with small hearing aids made for Auracast™.

Start your brighter hearing future now

Interton Presto instantly gives you the opportunity to hear your best, enjoy conversations and join hearing experiences wherever you are.

Interton Presto

An uplifting sound experience

Users recommend Interton Presto for sound quality and hearing in noise. Start enjoying clear and easy conversations.

Styles designed to delight you

With the small, comfortable designs and our latest technology, you'll look forward to putting on your Interton Presto hearing aids.

Greater ways to stay connected

Connect with Bluetooth® Low Energy (LE) Audio and Auracast broadcast audio, the new global Bluetooth experience and assistive listening technology.

Hear your best anywhere

Focus on the details you enjoy or who you want to listen to while hearing clearly all around you.

Enjoy hands-free calls

Stream hands-free calls from iPhone, iPad and compatible Android™ mobile devices* directly to your Interton Presto hearing aids.

* Hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation), iPad (10th generation) or later, with software updates iOS 15.3 and iPadOS 15.3 or later.
Bluetooth LE Audio works with Interton Presto and compatible mobile devices with Bluetooth 5.3 or later. See compatibility on interton.com/compatibility

What's your ideal style?

In the ear, behind the ear or custom made, there's a smaller-than-ever style that's great for you.

100% recyclable packaging

Your Interton Presto hearing aids come in packaging created from FSC certified paper and with 47% reduced CO2 emissions** as part of our focus on sustainability.

** Compared to previous hearing aid packaging from GN, CO2 reduction verified by Bureau Veritas.

Stylish wireless accessories

Designed for life's loud moments and made for Auracast™. Stream sound to boost your moments.

Entertainment and conversations

Hear TV clearly with the TV-Streamer+ and cut through the noise with the Multi-Mic+.
